

## **Curriculum vitae resume**

**Name:** Asmaa Haseeb Hwaid

**Date of birth:** 16/5/1982

**Nationality:** Iraqi

**Religion:** Muslim

**Permanent address:** Baqubah, Diyala, Iraq

**Work address:** University of Diyala, College of Education for Pure Science/Department of Biology

**Current Position:** Teaching and researcher

**Scientific position:** Assistant Professor, Doctor / Ph.D. since 2020

**General Specialty:** Biology, **Subspecialty:** Microbiology / Medical Virology

**Languages:** Arabic and English

### **Qualifications:**

- Bachelor of Biology Science, University of Diyala, College of Education, 2005
- M.Sc. (Biology/Microbiology/virology), University of Diyala, College of Education, 2009
- Ph.D. (Biology/Microbiology/virology), University of Diyala, College of Education For Pure Science, 2020.

### **Previous Work positions:**

- As an assistant lecturer, University of Diyala, College of science from 2011-2012.
- As an assistant lecturer, University of Diyala, College of Education for Pure Science from 2011-2014.
- As a lecturer, University of Diyala, College of Education for Pure Science from 2014-2020.
- As an Assistant Professor, Doctor, Ph.D. University of Diyala, College of Education for Pure Science from 2020.

### **Training courses. Seminars, workshops:**

- Online training course/ Focus on Peer Review / A Nature Masterclasses online course.
- Online training course/ Publons Academy Peer Reviewer/ Publons website.
- Online training course/ COVID-19: TACKLING THE NOVEL CORONAVIRUS/ London School of Hygiene & Tropical Medicine and UK Public Health Rapid Support Team.
- Seminar of research websites, theses and books/ College of Education for Pure Science.
- Seminar on writing a CV
- Omicron variant of Coronavirus
- ELISA technique and its laboratory benefits in estimating immunological indicators
- Radial Immunodiffusion technology RID in Serological tests

### **Conferences:**

- Diyala University first conference/Iraq

- Erbil University conference/ Iraq.
- 1<sup>st</sup> International Online Conference on Medical Basic Science Research/University of Kufa, Faculty of Nursing.
- 1<sup>st</sup> international conference on pure and applied science.

### **Authoring and translation:**

- The Comparative Practical Anatomy book (in Arabic), a methodological book for students of the third stage / Department of Life Sciences / College of Education for Pure Sciences

### **Researches:**

**17** published research papers in local and international scientific journals

<b>Papers</b>	<b>Journal name</b>
Seroprevalence of anti-Cytomegalovirus IgM, IgG antibodies among pregnant women in Diyala Province	Diyala Journal For Pure Science
Seroprevalence of Anti- Parvovirus B19 IgM AND IgG Antibodies among Pregnant Woman in Diyala Province	International Journal of Recent Scientific Research
Knowledge and Awareness of Papillomavirus and Cervical Cancer among College Students and Health Care Workers Women in Diyala, Iraq	American Journal of Public Health Research
Seroprevalence of Anti <i>Helicobacter pylori</i> Infection and Its Relation to ABO/ RHESUS Blood Groups in Diyala, Iraq	International Journal of Current Research
Seroprevalence of anti- <i>Chlamydia trachomatis</i> IgG and IgM antibodies among pregnant women in Diyala province	J. Fac. Med Baghdad
Seroprevalence of Anti- Herpes Simplex Virus Type2 IgG, IgM Antibodies Among Pregnant Women in Diyala Province	Diyala Journal of Medicine
The Rate of Anti- <i>Chlamydia pneumoniae</i> IgG and IgA Antibodies Among Patients With Coronary Heart Diseases in Diyala Province, Iraq	American Journal of Health Research
Detection of Toxic Shock Syndrome Toxin-1 among Children Undergoing Surgical Operations	J. Fac. Med Baghdad
Knowledge and Awareness about HIV and AIDS among Iraqi College Students	The Open AIDS Journal
Seroprevalence of <i>Mycoplasma Pneumonia</i> IgG Antibodies in Patients with Respiratory Infection in Diyala Governorate	Biochem. Cell. Arch
<i>Helicobacter pylori</i> seropositivity with heart diseases and effect of some risk factors associated with infection	Annals of Tropical Medicine and Public Health
Molecular Detection and Genotyping of Human Respiratory Syncytial Virus in Diyala Province	Biochem. Cell. Arch
Molecular study of human Metapneumovirus among patients with respiratory tract infections in Diyala province	Annals of Tropical Medicine and Public Health

Prevalence of occult hepatitis B infection in Diyala province, Iraq	Journal of Ideas in Health
Possible Vertical Transmission of SARS-CoV-2 during the Third Trimester of Pregnancy, a Mini-Review	American Journal of Epidemiology and Infectious Disease.
Knowledge and Awareness of Iraqi Population toward (COVID-19) Pandemic, A Cross-Sectional Study	Azerbaijan Medical Journal
Investigation of Anti-B19V IgM Antibodies Seroprevalence among Blood Donors in a Blood Transfusion Center in Diyala Governorate, Iraq	American Journal of Medical Sciences and Medicine

### **Reviewers of Papers**

18 articles were reviewed in international scientific journal.

### **Certificate of appreciation:**

24 certificate of thank and appreciation.

### **Supervising theses**

Two high diploma students, Two master student, one doctoral student
