

## Curriculum Vitae

**Full name:** Dhuha Adnan Neamah Abd Al-Rida

**Date of birth:** 11/8/1993

**Certification:** Master's

**Date obtained:** 19/12/2021

**General specialty:** Biology

**Detailed specialty:** Microbiology

**Academic title:** Assistant teacher **The date it was obtained:** 30/12/2021

**Number of years in higher education:** 6 years

**Number of years outside higher education:** There is no

**Email:** bioh.dhuha.adnan@uodiyala.edu.iq

**Awarding body for the bachelor's degree:** University of Diyala/College of Education for Pure Sciences/Department of Life Sciences Date of obtaining it: 13/7/2015

**Awarding body for the master's degree:** University of Diyala/College of Education for Pure Sciences/Department of Life Sciences Date of obtaining it: 12/19/2021

**Obtained date:** There is no

**PhD awarding body:** There is no

**Master's thesis title:** A study of some immunological indicators and factors affecting patients with gingivitis

**PhD thesis title:** There is no

**Jobs he held:**

S	Workplace	Function	period from - to
1	Diyala University	Biology Associate	14/10/2021-26/12/2016
2	Diyala University	assistant teacher	30/9/2022-14/10/2021

**Universities or institutes where he studied**

S	Entity (university / college / (institute	period from - to	Notes
1	Diyala University/College of Education for pure sciences	2021 - 2022	There is no

**Topics that he developed or contributed to the development of**

S	the University	the college	Section	Subject	academic year
1	Diyala	College of Education for Pure Sciences	Biology	Practical Pediatrics	-2022 2021

**Supervision of master's theses and doctoral theses ( There is no )**

**Conferences and scientific symposia in which he participated**

S	the address	Place	Post type	year
1	Role of tumor necrosis factor-alpha (TNF- $\alpha$ ), Interleukin-10 (IL-10) and Interleukin-23 (IL-23) in Periodontitis Patients.	Diyala University/College of Education for pure sciences	conspiracy	2021-2022
2	Hemorrhagic fever symptoms, causes and how to prevent	Diyala University/College of Education for pure sciences	A seminar	2021-2022
3	How do we maintain our immunity and prevent diseases from occurring in our bodies	Diyala University/College of Education for pure sciences	A seminar	2021-2022
4	Disease and medicine in the wings of a fly	Diyala University/College of Education for pure sciences	A seminar	2021-2022

**The courses he participated in and conducted**

<b>s</b>	<b>Course title</b>	<b>place</b>	<b>year</b>
1	RID radioimmunoassay in serological tests	Diyala University/College of Education for pure sciences	2021-2022
2	ELISA technique and its laboratory benefits in estimating immunological indicators	Diyala University/College of Education for pure sciences	2021-2022
3	Laboratory Safety in the Animal Lab	Diyala University/College of Education for pure sciences	2021-2022
4	The effect of pesticides and their lathes on public health	Diyala University/College of Education for pure sciences	2021-2022

**Research projects in the field of specialization for community service and education development**

<b>S</b>	<b>Research Title</b>	<b>Publisher's place</b>	<b>year</b>
1	Salivary Interleukin-6 levels in periodontitis patients in Diyala – Iraq	under publication	-2022 2021

**International journals in which he has published:** (the Research under publication)

**Membership of local and international scientific bodies and societies** (There is no)

**Creations or activities for which he won (awards - certificates of appreciation - (thank you books**

<b>S</b>	<b>type of activity or creativity</b>	<b>What he received (awards - certificates of appreciation - thank you (books</b>	<b>Donor</b>	<b>The title of the activity or creativity</b>	<b>year</b>
1	honoring women	Certificates of Merit	Diyala University/College of Education for		-2022 2021

			pure sciences		
2	Research participation in the conference	Certificates of Merit	Diyala University/College of Education for pure sciences	[Role of tumor necrosis factor-alpha (TNF- $\alpha$ ), Interleukin-10 (IL-10) and Interleukin-23 (IL-23) in Periodontitis Patients]	-2022 2021
3	Participation in the exhibition	Thanks and appreciation	Diyala University / University President	Investing in clean energy is our way to sustainable development	-2022 2021
4	Participation in the exhibition	Thanks and appreciation	Diyala University / Dean of the College of Education for Pure Sciences	Investing in clean energy is our way to sustainable development	-2022 2021

### Writing and translation (There is no)

### The languages he speaks

1-Arabic language

### Contributions to community service

- 1 - Voluntary work (providing the microbiology laboratory with laboratory materials) according to Administrative Order No. 629 dated February 13, 2022.
